MEETING OF AUTOISTS

Important Business Transacted Last Night By Alexandria Organization

Possibly one of the most interesting and most important in the matter of new business to the automobile owners who are members of the Alexandria Association was a meeting held last night at the rooms of the Chamber of Commerce.

After some discussion, membership in the State and National Automobile Association was definitely decided upon by the members of the local club. Correspondence between the secretary of the Alexandria Club and the chairman of the executive boards of the larger state and national organizations was read, after which application for membership were made out and forwarded to the two organizations.

The business thus disposed of is of the greatest importance and should prove of paramount interest to every owner of an automobile in this city and nearby counties, for by holding a membership in the local automobile club the auto owner becomes a member of both the Virginia State and National organizations which carries with it certain privileges and conveniences that will prove of benefit to any party touring the state or making cross country trips.

The National Automobile Association has a chain of club rooms connecting the majority of the larger cities, and also prepares and prints road and touring maps, looks after legislation of importance to the automobile owner and otherwise looks after the interest of the automobile men.

With the adoption by the Alexandria Automobile Club of a new constitution and by-laws some weeks ago, several new officers were created which were filled at last night's meeting, the former constitution not having made any provision for a vice-president and for a board of governors.

William H. Hellmuth was elected vice-president of the association and the following were named to serve as a board of governors: Harry Hammond, P. O. Cockey, C. C. Lamond, and A. M. Remshel.

The committee on highways, composed of R. L. Meyers, W. H. Hellmuth, George Washington Lewis, R. D. Brumback, and Wallace Lindsey, was directed to post the road to Mount Vernon with proper notices as to directions, as it is well known that a large number of transient visitors travel by automobile to Mount Vernon during each year, and quite often are delayed in reaching their destination through following the wrong route. It is the intention of the Alexandria club to mark nearly every county road near Alexandria, especially the crossroads as fast as it is possible to do the work.

WOMAN IS SERIOUSLY CUT

Gus Marshall Slashes Lena Jackson—Woman Unable to Appear in Police Court

Early last night Officers Young and Talbot were summoned to what is known as McCuen's alley, on south side of Gibbon street, between Columbus and Alfred. Gus Marshall, a negro, had, it was alleged, cut Lena Jackson, a negress. The man and woman had been drinking, and Marshall charged the latter with having \$2.25 in her possession belonging to him. When she refused to give up the money the attack followed.

Both were taken in custody, but upon arriving at the station house the woman was allowed to depart for the purpose of securing surgical attention. She was cut across the abdomen and on one of her legs.

The Jackson woman was unable to appear this morning and Marshall will be held.

The police say the accused has a record for cutting.

ACCIDENTS.

David S. Crockett, proprietor of a grocery store at 600 south Pitt street, was seriously burned about the legs yesterday morning when he dropped a lighted match in a puddle of gasoline after lighting a gasoline stove. Neighbors extinguished the flames.

Lena Shapiro, the 3-year-old daughter of J. Shapiro, was badly scalded about the lower part of her body yesterday morning at her home, 801 Wolfe street, when a bucket of boiling water, near which she was playing, was accidentally upset. She was attended by Dr. M. D. Delaney. Her condition is not dangerous.

ASSAILANT STILL AT LARGE.

Negro Who Intercepted White Women on South Alfred Street Being Sought by Police.

The negro who seized three young white women on south Alfred street Wednesday night is still at large, although every effort is being made by the police to identify him. The young women have given descriptions of their assailant and it is hoped he will be eventually hunted down. The bold act of the fiend is the principal subject of conversation in the locality of the assaults and is bringing out similar cases which have occurred in the same section of the city recently when women have been intercepted at night by unknown black men.
